

PICKY BITS BUFFET DELIVERY MENU

A BOXED UP BUFFET DELIVERED TO YOUR DOOR

Due to some of our buffet menu items being more labour intensive, or of higher value than others, we have introduced a Picky Bits points system which will assist with selecting your chosen menu. While some simpler dishes will 'cost' you one point, others with a higher value will cost you two points.

7 points to spend

£15 per head

8 points to spend

£18 per head

10 points to spend

£20 per head
